### Town and Parish Council Conference

**The next Town and Parish Council Conference will be held on 3 July at Priory House, Chicksands.**

The theme for this event is 'Planning' which includes a brief on the pre-submission consultation draft of Development Strategy; the strategic plan for Central Bedfordshire.

The following workshops will be held:

- Workshop 1: Affordable Housing
- Workshop 2: Protecting and enhancing the environment & local area
- Workshop 3: The Planning Application Process from Pre Application Advice to Determination
- Workshop 4: Neighbourhood planning

NB This event is now fully booked, for more information on future events please contact [Peter Fraser](#) on 0300 300 6740.

### Partnership Community Defibrillator Scheme

**At the Town and Parish Council Conference in April, the council told you about a community emergency defibrillator scheme being launched.**

The feedback from the conference showed significant interest and support. Letters to all Town and Parish Councils were sent out in June with full details about the scheme.

If you would like to take part in the scheme, please ensure that your Expression of Interest Forms are returned to [Karen Lang](#) by the 31 July deadline. Karen can also be contacted if you require any further information on the scheme.

### Charity of choice

**Council Chairman Cllr Caroline Maudlin has announced that the Alzheimer's Society has been voted the charity of choice for her second year as Central Bedfordshire Council's Chairman.**

During 2014/15 the council will be seeking to raise awareness, increase understanding and generate lots of money for the Alzheimer's Society.

This charity combines medical research objectives with very practical support services such as a helpline and on line discussion forum for those affected by dementia.

Charity champions are already thinking about events and activities to support Alzheimer's, including a Memory Walk in the autumn, and other fundraising events.

If you'd like to join those planning the events, please contact [Ingrid Male](#) on 0300 300 5214.

### Help Stop The Hate...

The Central Bedfordshire Community Safety Partnership (CSP) are asking for help from all Town and Parish Councils to help them spread the message about Hate Crime.

Hate crime is motivated by prejudice or intolerance of disability, race or religion, and includes physical attacks to someone or their property, offensive letters or phone calls, verbal abuse or insults, and bullying at school or work. It's also grossly under-reported in our area, and is hurting those who are vulnerable.

The CSP would like all Town and Parish Councils to feature a short piece in their local newsletters highlighting what Hate Crime is, and where people can go for help if they think they have been a victim.

For more information, and to be sent the short piece the CSP would like you to include in your local newsletters, please contact [Joy Craven](#) on 0300 300 4649. You can also find out more about Hate Crime on the council [website](#).

### LIGHTS OUT

**At 11pm on 4 August 1914 Britain declared war on Germany, ushering in one of the darkest periods in our history. (Sandy Royal British Legion is taking part in this event)**

In a dramatic UK-wide event, LIGHTS OUT is an invitation to everyone to turn off their lights from 10pm – 11pm on 4 August, leaving on a single light or candle for this shared moment of reflection.

Working closely with the Royal British Legion, LIGHTS OUT will be one of the largest participatory events of its kind ever seen in the UK, and will complement the candlelit vigil held at Westminster Abbey on 4 August.

Central Bedfordshire Council is supporting LIGHTS OUT - if you are planning to support it in your area, please let us know by contacting Emel Morris on 0300 300 5827.

You can find out more about LIGHTS OUT on their [website](#).

### DfT confirms Central Bedfordshire's roads are good

**The Department for Transport (DfT) surveys the condition of roads across the country every year. The condition of roads in Central Bedfordshire, in comparison to the national average, is good.**

The latest report (released in Spring 2014) showed that:

- Only 2% (same as last year) of our A roads needed repair, compared to 6% nationally;
- Only 2% (down 1% since last year) of our B and C roads needed repair, compared to 8% nationally; and
- Only 6% (down 1% since last year) of our unclassified roads needed repair, compared to 17% nationally.

For more details, go to the [DfT website](#).

## Dementia Friends and Dementia Friendly Communities

**Dementia will affect us all. One in six people over 80 will have dementia and it is likely that we all know someone that has the condition.**

**Dementia Friends** is an initiative from Alzheimer's Society launched in 2013 with the aim of recruiting one million friends by 2015. Central Bedfordshire Council is working hard to support this target and on the 25 July all elected councillors will receive Dementia Friends training.

For further information on the campaign and how to become a Dementia Friend, please visit the [Dementia Friends website](#).

The **Dementia Friendly Communities** programme focuses on improving inclusion and quality of life for people living with dementia.

The council is committed to supporting Town and Parish Councils wishing to make their community dementia friendly.
