The Selection Process

Shortlisting

The Town Clerk and/or Selection Panel will assess all applicants against the selection criteria outlined in the job description/person specification. For positions with a high volume of applicants, it will not be possible to shortlist all candidates who appear to meet the selection criteria; in such cases applicant's will be selected for interview who appear to meet the criteria at the highest level for the position.

Unsuccessful Candidates at shortlisting stage

Due to the high volume of applicants, the Town Council is unable to formally notify every candidate who is not shortlisted for interview. Only shortlisted candidates will be contacted.

Shortlisted candidates with disabilities

Shortlisted candidates with disabilities and who require any special or specific arrangements to be made in order to take full part in the interview (e.g. wheelchair accessible venue or a signer), should contact the Town Council and every effort will be made to accommodate such requests.

The purpose of references is to obtain factual information about each applicant's work history, as well as opinions regarding the quality of their work and suitability for the position. All offers of employment by the Town Council will be subject to the receipt of satisfactory references.

Preparing for the interview

To prepare for the interview you should:

- Focus on the key tasks of the position and think about how you may carry them out.

- Consider the responsibilities of the position and the types of problems that you might encounter in the position: identify similar situations that you have experienced in the past and consider how you dealt with such problems.
- Think about why you are applying for this position and what you need to find out from the interview.

Interviews

Interviews will take place during normal office hours, the size of the assessment panel will depend on the nature of the vacancy and will typically be composed of three or four people.

The interview provides an opportunity for the panel to obtain further information from you in relation to your application. The same broad questions will be asked of all job applicants but supplementary questions may be asked of each applicant to obtain additional information in relation to the selection criteria.

Selection Decisions

Following the interview process, the panel will assess applicants in relation to the selection criteria and will agree a preferred candidate. The Preferred candidate will be offered the position subject to the receipt of satisfactory references, being declared medically fit for the role as well as providing eligibility to work in the UK (including a successful work permit application if applicable).
