Members noted that application CB/18/01764/FULL for 36 Northcroft was discussed and granted at meeting of Central Bedfordshire Council's Development Management Committee on 15 August.

Members noted that application CB/17/0132/FULL for Tower Hill, Sandy is still awaiting a decision.

Members noted that the enforcement investigation for 4 The Green, Beeston is still ongoing.

Cllr Aldis reported that a resident had been in touch with him about the construction of an hydrotherapy unit as part of a dog beauty salon at 4 Coopers Close. The enforcement team are unable to comment at the present time without further information.

Cllr Blaine read part of an article in the Times newspaper which indicated that Anglian Water would be seeking an above inflation increase in bills for the 2.3 million homes it serves in the east of England. It says it needs the money to cope with the increased demand from a housing boom in the driest region of the country. Cllr Blaine believes, and other members agreed, that infrastructure costs should be met through building levies. Members asked that the matter be brought to a meeting of Town Council for further discussion with the aim of writing to CBC about infrastructure costs.
